“That's why I want to fix this dirty world. With my fist!”

The 21st century is dominated by rogue global companies and vicious countries.

He's back to turn the tables!

Baek Mir, the founder of Infinity Industries!

A new era armed with new technologies he leads!

Now the center of that era... is us.

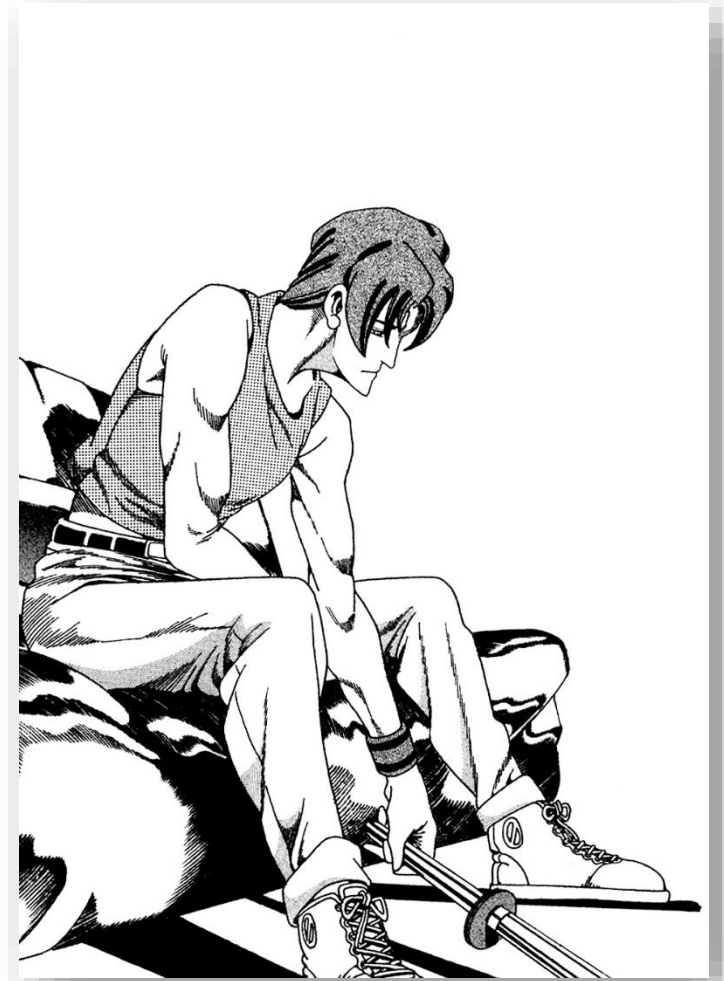

02 Synopsis

Mir, the illegitimate child of prostitute village 588

Mir, who lost his mother three months after birth and grew up rough in a prostitute village. With his natural speed and fierce fists, he tries to correct the world with his fists.

His father's subordinate who came suddenly

Meanwhile, his father, who has never been contacted, visits Mir through his subordinates. But Mir says he won't move until he sees his father with his own eyes. When Mir's father heard that, he went to his son and knelt down and apologized, and although he was puzzled by the unexpected development, Mir decided to go to his father.

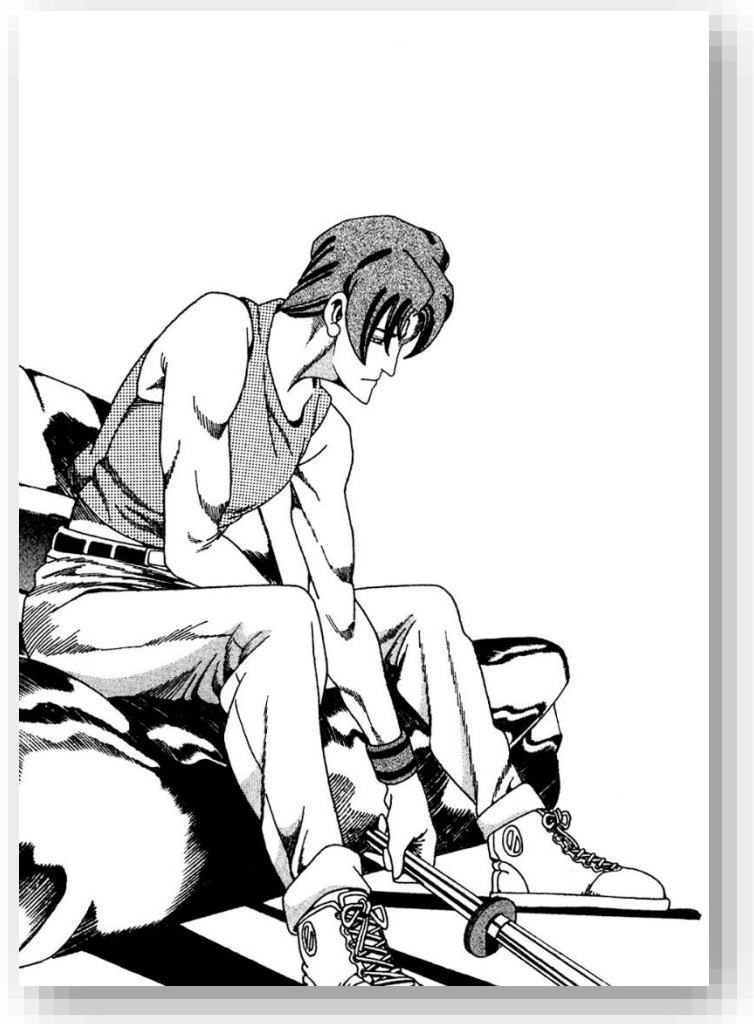

02 Synopsis

What? His father is the richest man in Korea?!

He didn't know much about the world, but in fact, Mir's father Baek Seung-hyun was famous for being the king of the underground economy, a moving bank, and the country's richest man. In short, he was a loan shark. His father did not hesitate to give the best for his son.

Transfer to a prestigious high school, a bloody encounter with the two major circles that dominate the school

His father pays a huge scholarship fund, so he transfers from a dung-tong school, famous for his fighting spirit, to an excellent high school attended by the wealthy and powerful. The two major circles of the school look at Mir carefully and approach him...
